## Attention Parents

Illinois State Board of Education School Code requires a physician's order for any medication including cough drops, over the counter medication or prescription medication. A parent's note for any of these medications will no longer be allowed in Itasca District 10 Schools. All medication with properly completed paperwork must be stored in the health office. Students with properly completed forms may carry epinephrine auto injectors or rescue inhalers when the physician deems it appropriate. Please call the school nurses if you have any questions or need the District 10 medication authorization form. Each medication requires its own form.

Thank you for your cooperation!
